MEMORANDUM FOR: Director, Intelligence Community Staff  
FROM: Director, Office of Congressional Affairs  
SUBJECT: Legislative Program for the 100th Congress - Request for  
Transmission to OMB

Ed —  
1. Enclosed are 25 (twenty-five) copies of the "Central Intelligence Agency and Intelligence Community Proposed Legislative Program for the First Session of the 100th Congress," as approved by the Director of Central Intelligence on September 19, 1986.

2. In accordance with the provisions of OMB Circular A-19, please transmit them to the Office of Management and Budget.

3. In addition to the Legislative Program, I wish to draw your attention to the draft Presidential Report on Counterintelligence and Countermeasures. [redacted] tells us that it will be approved by the President in the near future. That Report contains a section on legislative initiatives to improve our counterintelligence and security capabilities. Many of the recommendations have been included in our Legislative Program. You might want to consider requesting that OMB convene a meeting of the interested parties this fall to decide which agencies should be assigned responsibility for enactment of the remaining legislative initiatives contained in the Presidential Report.

4. Your cooperation is most appreciated.
